

A detailed cross-sectional view of a mechanical assembly. The assembly consists of a base plate 17 which supports several components. On the left side, there is a component 18, followed by a section 14 containing part 14a. Below this is a complex assembly involving parts 12, 13a, 36, 33, 16, 13, 21, 13a, 15, and 18. In the center, there are two main vertical assemblies. The left one includes parts 51, 55, 53, 52, 72, 73, 35, 32(31), 34, 71, and 53. The right one includes parts 61, 55, 14a, 11, and 17. A dimension line D indicates a specific measurement across the top of the central components.
